

BECOME A SPONSOR FOR AMERICAN YOUTH SOCCER ORGANIZATION AYSO REGION 59 WEST GARDEN GROVE, CALIFORNIA

AYSO is a nonprofit corporation dedicated to youth soccer. Our organization provides a unique experience for children of all athletic skill levels to participate in the wonderful sport of soccer.

AYSO's philosophy is "Everyone Plays" and because of this, our organization has grown tremendously over the last decade. It has truly become a great opportunity for all children to be exposed to our high standards of training and competition.

Our organization cannot run on its own. It needs to have financial support to help with many of the cost required to run our region. These costs include uniforms, coach and referee training, field maintenance, utilities and facilities. Your contributions are vital to the success of our children's experience. The support of our communities reflects our children's future. Team sponsorship is the backbone of our financial support.

Your contribution is **TAX DEDUCTIBLE**, [Federal Tax ID: 95-6205398](#).
